

Spot the Odd One Out

Milo, Lofty and Lark have been making lots of cheese sandwiches. Can you spot the odd one out?

Milo Cupcakes

To make 12 cupcakes you will need:

- 125g butter softened
- 125g sugar
- 2 large eggs beaten
- 125g self-raising flour
- 1/2 tsp vanilla extract
- 2-3 tbsp full fat milk
- 2 tbsp of warmed jam
- 300g black ready to roll icing
- 24 white chocolate buttons
- Pink and white icing pens
- (12 paper muffin cases, muffin tray, oven gloves, large mixing bowl, scales, wooden spoon)

Make Milo Cupcakes with a Grown-up

- Ask a grown-up to preheat the oven to 200° and line a 12-hole muffin tin with paper cases
- Cream together the butter and sugar
- Add in the eggs and flour, and beat well
- Add the vanilla and milk and beat again
- Spoon the batter into the cases to 2/3 full
- Ask a grown-up to put them in the oven
- Bake for 15-20 minutes until well risen and golden
- Ask a grown-up to put them on a wire rack to cool
- Roll the black icing and using a round cutter the same size as the top of your Milo cakes, cut out 12 circles.
- Brush the tops of your cakes with the melted, warmed jam and using it as a fruity glue, place one circle of black icing on top
- Make Milo's ears by shaping more black icing and stick to the face.
- Stick 2 white chocolate buttons to each face
- Stick little black icing circles to each white button.

- Using your icing pens fill in the pink and white details for Milo's eyes, ears, nose and mouth.

Don't forget to send us a picture of your purr-fect Milo cakes!
